HOST A NYTS QUALIFIER TOURNAMENT AT YOUR CLUB

2019 NYTS

HOST CLUB TOURNAMENT MANUAL

Hosting a National Youth Tournament Series qualifier is a great way to incorporate local youth players into your club. The NYTS program was established to provide youth players the opportunity to compete against their peers in USPA outdoor tournaments. At each qualifier, All-Stars are selected by an appointed committee based on their horsemanship, sportsmanship, playing ability at their current handicap and ability to play as a member of a team. All-Stars are then eligible to be selected for one of four zone teams or two girls teams that will advance to the National Championship. Clubs are encouraged to run NYTS qualifiers in conjunction with un-rated junior polo chukkers for beginner and intermediate players. The NYTS Qualifier itself has been designed for advanced youth players, those capable of holding a minimum of a "B" handicap.

The NYTS Tournament Manual has been assembled to assist you as you plan your NYTS qualifier.

- 2019 Circuit Tournament Application

The NYTS Tournament Manager is able to facilitate the All-Star process, complete the NYTS paperwork and USPA results reporting and assist with the trophy presentation. The NYTS Tournament Manager is also able to help with timing and scorekeeping throughout the event. 2019 NYTS All-Stars

- I. The number of All-Stars selected is determined by the number of teams in the tournament.
- II. Selected All-Stars do not need to compete in the final game or on the winning team.
- III. All-Stars will be chosen by the All-Star Committee based on:
 - 1. Playing ability at their current handicap
 - 2. Team playing ability
 - 3. Horsemanship
 - 4. Sportsmanship
- IV. There is no set number of All-Stars required for each team.

Example: If there are 3 teams competing in the event, the 5 All-Stars can be from any combination of the teams.

- V. The Zone All-Star Selection Committees will be responsible for naming four players to each team from the list of eligible All-Stars submitted to the USPA office for the National Championship.
- VI. Use the attached scorecards to assess the players throughout the game.
