Player Injury Substitutions

If a player is injured:

- Start the **10 minute** injury timer.
- When there is **6 minutes remaining** we contact the captain of team with the injured player and notify him/her that we will start the game in 6 minutes and we ask them the following questions:

1. ____the name of the player substitute is _____.
 2. ____the player's dues are paid before he plays.
 3. ____the player has a USPA handicap of ____.
 4. ____the player has no further games left to play in the tournament **or** (s)he is 7,8,9,10 goals.
 5. ____the new team handicap is equal to or below the upper tournament limit.
 6. ____is there any upward adjustment in the handicap awarded to the other team ?
-
