National Youth Tournament Series Host Club Information Packet

Hosting a NYTS Qualifier at your club is easy and a great way to incorporate your youth players into the club! NYTS Qualifiers are encouraged to run in conjunction with unrated junior polo chukkers and competitions for every level experience. The NYTS Qualifier itself has been designed for the upper-intermediate and advanced youth players, those capable of holding a minimum of a "B" handicap.

This Host Club Packet has been assembled to assist you as you plan your NYTS Qualifier! It contains information on:

- Your All-Star Committee- including Frequently Asked All-Star Questions
- A Template to use as an Entry Form for Your NYTS
- A Host-Club Checklist
- 2016 NYTS Tournament Conditions
- 2016 Circuit Event Application- sign and return to the USPA for approval
- 2016 Results Packet- your USPA Tournament Manager will take care of this!

In addition to this Host-Club Tournament Packet, the Player Development Team will be here throughout your NYTS planning process to assist you. Please email Amanda at NYTS@uspolo.org with any questions. We will also provide, if you so desire, a NYTS Tournament Manager to assist you on the day of your event and will take care of all NYTS paperwork and results reporting, assist with the trophy presentation, facilitate the All-Star Committee, and will be available to answer any questions about NYTS or the USPA. Your tournament manager can also assist with timing or scorekeeping, as needed throughout the event.

If you have any questions or want to schedule a NYTS Qualifier please email Amanda at NYTS@uspolo.org to get things started!

Your All-Star Committee

All-Star Committee Duties & Responsibilities

1. Assemble a recommended 3-5 person committee
2. Your committee ideally should consist of members without children of their own competing in the event who will be present to see the juniors compete
3. The All-Star Committee is responsible for selecting the tournament All-Stars
4. The All-Star Committee must be available for the Zone All-Star Committee to contact during the first week of August
5. The committee should use these categories as guidelines when selecting NYTS All-Stars: horsemanship, sportsmanship, playing ability at their current handicap, and how they play as a team player
6. We request that the committee members complete the below form for the All-Stars chosen and submit it to NYTS@uspolo.org by the first Monday in August
7. All-Stars should be submitted in ranking order
8. If a Tournament Manager is present, they will be responsible for administering the All-Star Committee

All-Star Frequently Asked Questions

1. How many All-Stars are awarded per tournament?

The number of All Stars selected is determined by the number of teams in the tournament. Four All-Stars are selected when the minimum two teams compete. One additional All-Star is selected for each additional team entered. (Example: 3 teams-5 All-Stars, 4 teams-6 All-Stars, 5 teams-7 All-Stars.)

2. Do All-Stars have to win the tournament?

No, All-Stars may be selected from any participating team.

3. What does it mean to be selected as an All-Star?

4 players and 2 alternates will be selected from the complete list of All-Star nominations submitted from all NYTS qualifiers that were held in each Zone. These 6 All-Stars will represent their Zone in the NYTS National Championships on Labor Day Weekend.

4. Who selects the 4 Zone All-Stars that advance to the National Championships?

There are Zone Selection Committees for each of the 4 U.S. Zones (see NYTS Zone Map) who will carefully review the list of All-Stars nominated at each event within their zone. The Zone Selection Committee will use the scorecards and game footage submitted by the host clubs when making their team selections.
